- [Volkswagen Racing Cup 2010 Regulations](#)

Please find attached the Volkswagen Racing Cup Championship regulations for 2010. These have now been approved by the MSA and therefore this is the published version. As in previous years I have tried to keep the changes to a minimum but any changes from the 2009 have been highlighted in yellow for quick reference.

A paper copy of the regulations will be included in the registration pack therefore please save a tree or two!!
