- *Volkswagen Racing Cup Passes*
- *Working vehicle Passes*

- *Volkswagen Racing Cup Entry Passes*

As in 2009 the championship will be using the F3GT permanent passes for the year rather than individual paper tickets for each weekend. 4 passes will be issued to each entrant and attached is the application form for you to nominate who you need passes for including driver.

Ideally all 4 passes will need a photo, however I appreciate that some of you use the tickets for different guests etc therefore if you prefer only 2 will need photo and I will list the other 2 as your name and the championship logo for you to use on an ad hoc basis.

Please can you complete and email me this form back without changing the format by **Friday 12 March by 12 noon**. If you prefer just email me the photos if that is easier.

I apologise for the short notice but we have only just received notification from SRO that passes have been approved by the circuits.

The passes will be distributed at Oulton Park

- *Working Vehicle Passes*

These will also be issues at Oulton Park for vehicle access to the paddock; therefore please can you ensure that you have sent your completed paddock form back to me, thank you.
