- *Volkswagen Racing Cup Rounds 1 & 2; Oulton Park*

We are just finalise the plans for the first two rounds of the championship and have got the draft timetable agreed and a bit different from previous years as we have managed to avoid the split timetable due to the Easter restrictions and have all of our event on Easter Monday. Although this will be a busy day for us all it will avoid many of you having to spend 4/5 days at Oulton Park and the expense associated with it, plus it will hopefully allow us to have one set of weather conditions for a change!,

So (although provisional) the timetable is as follows;

### Sunday 4 April

- Park up and paddock set up

### Monday 5 April

- 0730 - 0930 Breakfast in race centre
- 0745 Signing on in race centre
- 0800 Scrutineering in situ
- 0920 Qualifying
- 1240 Race 1
- 1300 - 1500 Lunch
- 1745 Race 2
- 1830 Prize giving

I will of course email you more details as they are confirmed.

- *Power Test*

Just a reminder that the pre Season power tests are a mandatory part of our championship and the test dates are Friday 19 March and Saturday 20 March 2010.

As in previous years we will book cars in at 30 minute intervals starting at 0900 for both the power test and scrutineering check.

The power test will be held at Superchips in Buckingham and the address is as follows;

Superchips Limited  
2- 18 Homestall  
Buckingham Industrial Park  
Buckingham, Buckinghamshire  
MK18 1XJ

Please can you call me on 01908 210088 to book your time for either days and as in previous years the championship registration packs will be given out at these power tests.

➤ *Paddock Space Request*

Please find attached a paddock space form to enable us to plan the paddock so that it is well presented and that everyone has the space that they need. In addition working vehicle passes will be provided for use for the whole season.

Please can you return this form completed to me by Friday 5 March, thank you.

## Volkswagen Racing Cup Paddock Space

Name of Team:

Name of Driver (s):
