- ***Rounds 1 & 2, Oulton Park – rough timetable and testing***

The timetables for the first rounds at Oulton Park are in the process of being finalised but as its is the Easter weekend, and therefore not a typical race weekend from a timings perspective, this is a very rough outline of what it likely to happen but hope that it helps you plan whatever you need to plan;

Wednesday 19 March

General test day organized by the circuit and can be booked direct with Oulton Park via their website www.motorsportvision.co.uk

Friday 21 March

Paddock Set up; timings to be advised

Testing; we have been given the opportunity to buy 30 minutes for an exclusive test session at a cost of £135 plus vat per car. Please could you email or call me by **Friday 8 February** if you would be interested in taking part as we will need a minimum of 10 cars confirmed. We have asked for this to be in the afternoon to allow you to travel to the circuit in the morning and set up your paddock area.

Saturday 22 March

Sign on, Scruitineering and Qualifying

Sunday 23 March

Nothing at all happening at the circuit as it is Easter Sunday

Monday 24 March

2 races and prize giving

➤ ***Superchips; remapping and tuning specialist***

As many of you know Superchips have supported the Volkswagen Racing Cup from the beginning and provide a range of mapping and tuning solutions together with providing the rolling road for power tests.

Superchips have the latest Maha LPS3000 4WD chassis dyno and emissions analysis equipment together with extensive knowledge and experience in remapping Bosch and Siemens OE engine management systems as used on the Volkswagen range. All of their research is done in house in England and as such do not rely upon a third party source for our remaps.

As a sponsor of the championship they are pleased to offer all competitors discounts for their services, examples as follows;

- | | |
|--|-----------------------------------|
| Supply Superchips remap for road cars (including bluefin) | 15% discount. |
| ▪ Remap race car, running of management system, on dyno discount of the retail chip price. | £150 per hour (min 2hrs) plus 50% |
| ▪ Power test to championship standard on non-official test day. | £50 plus vat |

Volkswagen Racing Cup Bulletin
No 50

➤ ***Pre Season Power Test***

Just a reminder of the pre season Power test dates; Friday 29 February and Saturday 1 March 2008.
The Power tests will be held at Superchips in Buckingham and more details will follow shortly together with the times available to enable you to pre book an appointment on the rolling road and with our Scruitineer Ian Billet.
Presentation of your car at the power test is mandatory as detailed in the regulations.

➤ ***BRSCC Awards and Dinner 2008***

Although it is still only January a date for your diaries; The BRSCC Awards and Dinner will be held on Saturday 22 November 2008 at the Hilton Stratford upon Avon.
