The following is a very approximate timetable for Rockingham to help with your planning;

Saturday 24 May;	There will be an exclusive test opportunity for Volkswagen Racing Cup, possibly two sessions so I will send you more details as and when they are available.
Sunday 25 May;	Qualifying We will possibly organise a 'social' event for Sunday evening so again more details to follow.
Monday 26 May;	Races 1 and 2

➤ ***Rounds 7 & 8 Thruxton; Testing Opportunity***

There will be a test day for F3 / GT and the support races on Wednesday 28 May. We have no more details as yet but it is likely that there will be one session for the Volkswagen Racing Cup (approx 55 minutes). As soon as I have any more information including costs I will let you know.
